

## DEVELOPMENT PLAN

- 1) Please indicate what **dimensions** are on the sketch above. Have these boundaries been verified? The Applicant must **clearly define all visible markers**. In the absence of markers, the Applicant can erect wooden stakes spray painted for ease of visibility.
- 2) Please indicate the following on your plan: the **north arrow, road allowance, and frontage**.
- 3) Please indicate where the proposed **buildings, septic, driveway, etc.** are going to be located.
- 4) Please indicate on the Development Plan where trees will be removed. Please indicate the number of trees to be cut. \_\_\_\_\_ Note: cut trees must be removed from the lot.
- 5) A completed Development Plan must accompany all Land Acquisition applications.
