The Beausoleil First Nation Chief and Council met on Wednesday, October 3, 2007 whereby the issue of renewal of leases before the expiry date was discussed.

The following decision was reached by a quorum of the Council.

That Lessees will make an application to the Beausoleil First Nation Lands Department for this request.

There will be a fee of \$500.00 for this type of request.

Only certain situations will warrant approval of renewal of lease before the actual expiry date - the situations are as follows:

- after an Assignment of Lease - this application would be made by the new tenant only
- before an Assignment of Lease - for mortgage purpose for the new tenant - current lessee will make application
- to secure a mortgage/loan for current lessee
- if the lessee has utilized 10 years of the existing lease

See Attached *Application for Renewal of Lease* form.

The issue of Renewal of Leases before expiry date is subject for review at Chief and Council's discretion.
