

PROCEDURES AND GUIDELINES FOR RENOVATIONS / IMPROVEMENTS

- 1) Apply for a Building Permit at the Beausoleil First Nation Administration Building, Attention: Jennifer Copegog or Mike Smith / Lands Management Program.
- 2) The applicant will submit a developmental plan along with the Building Permit. (See attached developmental plan form).
- 3) The height of the building should not exceed 30 feet from ground level.
- 4) Any buildings/improvements should be 5 feet from the property boundaries.
- 5) The exterior of the building should be aesthetically acceptable.
- 6) Full Payment of the Building Permit will be required, as per attached schedule.
- 7) The lessee/applicant/ and contractor are required to schedule inspections at the necessary construction phases with the proper Inspector(s). (Form attached must be completed and signed by lessee and contractor).
- 8) The lessee/applicant must submit proper Inspection Forms to the Lands Management Officer with the proper authority signatures. All inspections must be conducted by a qualified Inspector.
- 9) First time Lessee(s) on a newly issued lot will not be required to pay for a Building Permit. They are only required to pay for the necessary inspections.
- 10) The lessee/applicant must have at least 50% of the construction done by a qualified tradesperson of the Beausoleil First Nation.
- 11) Contractors must be able to provide a current WSIB Clearance Certificate. A copy of the certificate must accompany each application. Failure by the contractor to provide proof of coverage will result in your permit not being approved.
- 12) Absolutely no construction will commence until the Permit has been approved by the Lands Management Department. If construction commences before approval of Building Permit, the Building Permit will automatically be revoked and all construction will be halted until the non-compliance is rectified.
- 13) Building Permits under categories 1 and 3 are valid for two (2) years from the date of Approval. (See Page 2 - Categories for Construction).
- 14) All Building Permits for other categories are valid for only one (1) year. (See Page 2 - Categories for Construction).
- 15) If an extension (of up to a maximum of 1 year) of a Building Permit is required, you must re-apply at the Beausoleil First Nation Lands Management Office. The cost of a Permit extension is \$75.00.
- 16) These procedures and Guidelines may be amended from time to time by the Beausoleil First Nation and communicated to the Christian Island Cottager's Association.

CATEGORIES FOR CONSTRUCTION

TYPE OF CONSTRUCTION	CATEGORY CODE NUMBER
New Construction of Cottage	1
Renovations - Exterior Only	2
Replacement of Roof - Shingles Only (Permit Not Required - Notification Only)	2-1

DEVELOPMENTAL PLAN FOR LOT , BIG SAND BAY SUBDIVISION

- 1) Please indicate what **dimensions** are on the sketch above. Have these boundaries been verified? The Lessee/Contractor must **clearly define all visible markers**. In the absence of markers, the Lessee/Contractor can erect wooden stakes spray painted for ease of visibility.
- 2) Please indicate the following on your plan: the **north arrow, road allowance, and frontage**.
- 3) Please indicate where **existing buildings, septic, driveway** are located. If this is a developmental plan for new construction, please indicate where the above will be located.
- 4) The above plan must be reviewed and approved by a **qualified building engineer** or a **building inspector** before any work can begin. Have the engineer place his stamp on the drawing. If reviewed by a building inspector, have the inspector sign where indicated.
- 5) Please indicate on the developmental plan where trees will be removed. Please indicate the number of trees to be cut. _____ **Note: cut trees can not be removed from First Nation Territory.**
