Describe your exact equipment needs and how accessing Nookmis funding will support your harvesting venture(s)?

Successful applicants will be required to participate with the Harvesters Festival in the fall season. How are you able to participate in or with the Harvesters Festival? E.g., demos, products sales, hands-on activities, etc.

Application Requirements:

- Must be a member of Beausoleil First Nation
- Must provide quotes or invoices
- Absolutely **NO** cash advances will be provided
- No firearms, bows, or ammunitions
- **Incomplete Applications will not be considered**

Examples of approved **Harvesting Equipment Support** include:

- Repairs to existing equipment such as VHF's, signage, tents, rain gear, floater suits
- Upgrading existing equipment such as a scope, skinning or fishing knives
- New equipment for maple syrup production, apiaries, gardens, homesteading, traditional food and medicine foraging/collection/processing tools such as drying racks

I hereby acknowledge that the information I provided above is accurate to the best of my knowledge. Should my *Harvesting Support Application* be successful, I acknowledge that I will assist with the *Harvester's Fall Festival*, knowledge sharing opportunities within community events and Harvester's committee meetings:
