RE: NOTICE TO BEAUSOLEIL FIRST NATION RESIDENTS

Aaniin G'Chimnissing,

Please be advised that garbage and collection services shall resume within the Cottage Subdivisions starting: **May 1st, 2023.**

Although we are now three years into the pandemic Chief and Council are committed to ensuring safety and security on the First Nation. Screening and ID Verification for all Lessees and their visitors will continue at Check Point #1 for safety and security purposes only.

Once garbage collection services begin, Cottager/Lessee population will increase again on our First Nation. To ensure all residents are aware the Landfill/ Dumpsite is closed and is at maximum capacity. Therefore, any waste and recycling that accrues during any cottage or leased lot openings, renovations or improvements must be disposed of as per the waste management pick-up schedule or is to be transported off the First Nation. This includes any members that are hired by Cottage Lessees.

Should any Lessees or, members on their behalf be disposing of any waste, please report to the Lands & Resources Department.

Any questions or concerns do not hesitate to contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read 'A. Lewis'.

Anthony Lewis
Lands Manager
Beausoleil First Nation
