Overview

Beausoleil First Nation is seeking a highly motivated and skilled individual to fill the following position. Preference will be given to persons of Aboriginal decent.

Key Responsibilities Include:

- Crisis Intervention
- Promote positive lifestyle choices and prevention of alcohol and substance abuse/addictions by utilizing various program initiatives and by providing a positive role mode.
- Plan and implement effective methods of delivery quality programs focusing on healthy lifestyle choices aimed at preventing alcohol/substance abuse to the broader community and school.
- Access and/or develop culturally appropriate materials for community members.
- Provide alternative activities (i.e., cultural, traditional, recreational, physical, etc.) in the community and ensure that they are well-organized and advertised.
- Provide intake, support and referral services that respects the individual's choices.
- Process referrals to other counseling and support services as required.
- Participate in case management meetings.
- Provide advocacy and assistance where necessary
- Encourage community participation, volunteerism, and awareness of the need for health, wellness and the advocacy of healthy relationships and lifestyles.
- Participate in regular meetings and workshops as directed
- Attend meetings and participate on committees related to community health.
- Maintain confidential client records for all people receiving service.
- Prepare reports as required by management and outside agencies (i.e., Health Canada).
- Ensure correspondence, memos and other administrative items are complete.
- Provide input to proposals and community health planning as directed.
- Coordinate functions related to the Traditional Health Program at the BFHC.
- Maintain professional competence and best practice methods through continuing education.
- Fulfill other duties as directed by BFN Health Manager

Qualifications:

- A Social Work degree (BSW) preferred, or relevant Mental Health Human Services field, or a combination of College Diploma in Community Wellness/Social Service with at least 3 years' experience in community direct mental health work will be considered
- Excellent organizational, interpersonal, and written skills.
- Extensive experience in crisis intervention
- Knowledge of health and wellness promotion/community development
- Facilitation skills
- Knowledge of therapy/counseling referral specific to sexual abuse, addictions, trauma recovery, concurrent disorders etc.
- Strong commitment to community health and well-being
- Ability to work in a team atmosphere.
- Ability to work with clients and community in a sensitive, caring and confidential manner.
- Employees must report to work free from impairment and comply with workplace substance use and safety policies
- Driver's license
- Knowledge of the Ojibwe language and cultural approaches to healing
- Must have First Aid/CPR.
- Must have skills and experience in case management.
