Paving Notice

Seeley and Arnill will be undertaking a Hot Mix Paving operation on various roads starting Monday, July 14th. The hours will be from 7 am to 7 pm and the work is expected to be complete by Wednesday, July 30th. These dates are weather dependent.

A map showing roads and schedule is available.

The process is Hot Mix Paving which needs to be rolled and compacted before it can be driven on.

During the process, there may be temporary traffic disruptions, including limited access to driveways and parking areas. Expect delays, and in some cases, detours may be necessary.

Please follow the directions of the traffic control staff that will be onsite.

We appreciate your patience as we complete these improvements.

If you have any questions or concerns, please contact Rocky Major at 705-441-3721.
