### **COMMUNITY NOTICE**

#### **Paving Company Soliciting Driveway Work**

Beausoleil First Nation is issuing this notice to warn residents about a paving company identified as JQ Paving that has recently come onto the Island offering to pave residential driveways.

We have received reports that representatives of this company are claiming the Band has cancelled the current paving project and that they now have extra asphalt available for private driveway work. This claim is completely false. The paving project on the Island is still ongoing and is a priority infrastructure initiative that is nearing completion as planned.

We urge residents to be cautious when approached by outside contractors making unsolicited offers. If you choose to engage in any private work with this company, please be advised that you are doing so at your own risk. Beausoleil First Nation is not affiliated with this contractor, does not endorse their services, and will not be held liable for any agreements made privately between residents and the paving company.

If you have any questions or concerns, please contact the Administration Office at 705-247-8965.

Thank you for your attention to this matter.

Miigwetch,

Bruce Marsden
