COMMUNITY SAFETY ADVISORY RE: UPDATED FIRE DANGER RATING

EFFECTIVE IMMEDIATELY, By the Order of Chief and Council, Beausoleil First Nation and Beausoleil Fire and Emergency Services are issuing a **FIRE BAN** on ALL types of open-air burning, including the ignition of all Fireworks. The **FIRE BAN** means **ABSOLUTELY NO BURNING** of any materials will be allowed at any time on Beausoleil First Nation Territory. Beausoleil First Nation territory includes Christian Island, Beckwith Island, Hope Island and Cedar Point.

The **FIRE BAN** is in place for the safety and protection of the Community and all First Responders. Conditions are far too dangerous and there is an **EXTREME** risk that any source of ignition will turn into a high acuity emergency. Failure to comply with this **FIRE BAN** can result in damage to public and personal property and can endanger the lives of the public.

The FIRE BAN is in place for all Residents, Seasonal Residents and Visitors to our territory, and will be in place until further notice.

We thank everyone for keeping our residents, seasonal residents, visitors, property, and community safe during this FIRE BAN.
