August 20, 2026

Community Notice – Temporary Suspension of Day Passes

Please be advised that day passes will be temporarily suspended on August 22 and 23, 2026, due to the event taking place at West Beach.

This temporary measure is being put in place to help manage traffic, parking, and overall activity on Christian Island during the event.

Regular day pass access will resume following the weekend. We appreciate everyone's understanding and cooperation.
